

## ABOUT THE STATE

## HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Fifty young men students at Middlebury college have the grip.

Edward J. Porter, formerly proprietor of the hotel on the summit of Mount Killington in Rutland, died Monday in Waterbury.

William Benway, a 12-year-old Wallingford lad, has in his garden a cucumber which measures 16 inches long and 12 inches in circumference.

Among the 66 deaths at Camp Devens Tuesday were the following Vermonters: Ralph Lee, Woodbury; Alva Churchill, Craftsbury; Byron Page, Bradford.

Joshua H. Blakeley, for 25 years a prominent business man and eight years postmaster at Bellows Falls, falls in a few days for overseas war work with the Y. M. C. A. He has been assigned to the motor transportation service.

Nathan D. Allen, for a long time a resident of Brattleboro until he went to Charlestown, N. H., to act as warden at the state's prison, has resigned the position after 24 years' service. He will receive a pension of \$2,000.

## State Library Assn. Meeting.

The annual meeting of the State Library association was held in Rutland Monday, the only important business being the election of officers as follows: President, Miss Mary R. Norton of Proctor; vice-president, Mrs. R. Bates of Burlington; secretary and treasurer, Miss Alice M. Eason of Woodstock; second vice-president, Rutland and Bennington counties, Miss Ida J. S. Kingsley of Brandon; Franklin, Lamoille and Grand Isle, Miss Anna L. Mower of Morrisville; Addison and Chittenden, Miss Edith Chamberland of Vergennes; Windor and Windham, Miss Elizabeth McCarty of Springfield; Washington and Orange, Miss Frances M. ## Arrested for Alleged Forgery.

Frederick F. Bradish, a Burlington stock broker, has been arrested and placed under \$10,000 bail for the alleged forging of the names of Dr. Lyman Allen, Perry R. Miles and Fred O. Shattuck, all of Burlington, the obtaining of money on their certificates and the converting of the money to his own use. It is believed that many other prominent citizens of Vermont were also affected by Bradish's dealings. For more than 20 years he was in charge of the Burlington office of the Postal Telegraph company, when he was called upon to telegraph to various brokers in New York City for Burlington business men. Eight years ago he left the employ of the company and went into a brokerage business for himself, furthering a scheme that brought much money to himself and later, it is alleged, he forged names on the original certificates and obtained money thereon.

## TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Barre readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

E. L. House, barber, 16 West street, Barre, says: "I suffered from backache for some time, which was caused by being on my feet long periods through the day. My back ached continually, especially after I would lie down. The pains were sharp when I bent over. Doan's Kidney Pills were recommended to me, and I got a box at Cummings & Lewis' drug store. I soon received satisfactory relief."

Price 60c, at all dealers'. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. House had. Foster-McMullen Co., Mfrs., Buffalo, N. Y.—Adv.
